Community Perspectives Panel

1. Background on your First Nation and why your FN decided to enact a Land Code?
2. What were the challenges faced in the developmental process, how long did it take?
3. How did/are you engaging with your community members?
4. Did the land code effect your treaty rights?
5. Can you share your transition and implementation plans of your Land Code?
6. What are your capacity and knowledge needs for implementation of Land Code?
7. Any other words of recommendation or pros or cons?

THANK YOU
