THE CONDITIONAL CERTIFICATE OF OCCUPANCY IS ISSUED SUBJECT TO THE FOLLOWING CONDITIONS:

1. The deficiencies listed below shall be rectified to the satisfaction of the building inspector.
2. Upon satisfactory completion of all deficiencies the building inspector may issue a CERTIFICATE OF OCCUPANCY for the building.
3. If at a date 12 calendar months from the date of issue of this CONDITIONAL CERTIFICATE OF OCCUPANCY, all of the deficiencies listed below have not been addressed to the satisfaction of the building inspector, the permit will need to be renewed for an additional one year period. A renewal fee of \$300 shall be charged for each renewal, to a maximum of three years after which the permit will expire and the Capital Regional District will register a notice against the title of the land, referring to the outstanding deficiencies. The notice will remain in place until the deficiencies have been rectified to the satisfaction of the building inspector. Upon expiry of a building permit and in order for the building inspector to conduct the required final inspection and issue the CERTIFICATE OF OCCUPANCY, it will be necessary for the owner to apply for a permit to complete the outstanding work. Upon completion of all deficiencies the notice will be removed and the building inspector may issue a permanent CERTIFICATE OF OCCUPANCY for the building.
4. The CONDITIONAL CERTIFICATE OF OCCUPANCY confirms only that the building is believed to meet the minimum level of health and safety requirements and is not a representation, warranty, assurance or statement that the building complies with the Building Code, the Building Regulation Bylaw of the CRD, or any other applicable enactments, codes or standards.

The following list of deficiencies should not be construed as a definitive list of all requirements. Known deficiencies outstanding at date of issue of CONDITIONAL CERTIFICATE OF OCCUPANCY are:
