

Who We Are

The RC is a First Nations organization dedicated to serving and supporting First Nations communities who want to re-establish control over their lands, natural resources, and environment through the historic government-to-government *Framework Agreement on First Nation Land Management*.

Framework Agreement

The *Framework Agreement on First Nation Land Management* was signed on February 12, 1996 by 13 First Nations and Canada. This initiative was developed by First Nations for First Nations to opt out of the 44 lands related sections of the *Indian Act*.

What We Do

The RC is dedicated to supporting First Nations communities in the following ways:

- Intergovernmental Relations in support of ongoing implementation of the *Framework Agreement on First Nation Land Management*
- Training, resources, and support services for signatory First Nations as they develop and implement their community Land Code

TMPD Strategy

The RC is committed to assisting operational communities in identifying their priorities, needs, and work planning for successful implementation of their Land Code. Under the TMPD strategy, the RC continues to develop and deliver fundamental and technical Lands Governance training under the *Framework Agreement on First Nation Land Management (FA)* based on the following design principles:

- Real-life and reality-based emphasis on FA Lands Governance
- Easy and flexible access to meet First Nation's specific capacity building needs
- Delivery by staff and experts with FA Lands Governance experience
- Materials are specific to the requirements of the FA
- Online components designed to be self-paced and user directed
- Content & learning experiences can be delivered on demand
- Adaptive to multiple target audiences

Knowledge Sharing Services:

Workshops & Webinars

These sessions are designed to deliver general information and updates on specific topics that are relevant to the needs of Lands Governance Directors, lands staff, and communities implementing Land Code.

Online Courses

Over 50 short online courses have been created on topics informed by the key functions of a Lands Governance Office operating under the Framework Agreement.

Knowledge Paths Tool & Training Plans

This valuable tool can be used to inform, expand and support individual learning goals and capacity work plans for the Lands Governance Office.

Land Governance Manual (LGM)

The LGM is a resource tool for Operational First Nations. It provides extensive documentation, process support and guidance. It is available through a web-based App format for lands staff to reference as required.

Knowledge Repository

A searchable electronic knowledge repository of land governance examples, templates, and other resource tools based on the practices of Operational First Nations.

Direct Community Support (1:1)

The RC staff are available to assist communities directly in identifying their priorities, needs, and work planning.

The Core Competencies of a Land Governance Office
