REQUESTS

ASSESSMENTS

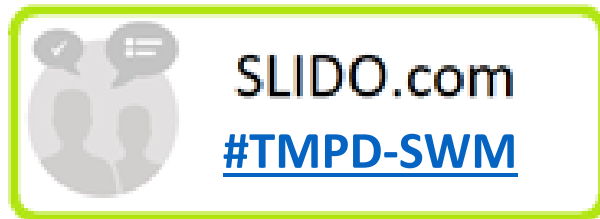

The background features several sets of curved lines in shades of grey and green, some solid and some dashed, creating a dynamic, flowing effect. A dark green rectangular box with a white border is positioned on the left side, containing the title text.

## Solid Waste Management Funding Program

- 2018/19 Funding program - assisted 10 communities.
- Some of those projects included: SWMP, Building HHW depot, new truck for collection & hauling, implementing new waste diversion programs: recycling, & composting. Transfer station project plan and removal of stockpiled divertibles.
- This funding is in addition to ISC funding.
- Stay tuned for the 2019/2020 funding call out – provide information to Stefanie Recollet to get on the emailing list.

What resources would you like to see the RC develop to assist your community in Solid Waste Management?

**Reach out to the  
RC for support!**

Don't go it alone!

We are here to help! The RC offers a free, independent support service for FA Signatories!

We will tailor our support based on your needs.
