

Addition to Reserve & Treaty Land Entitlement: Exploring Current Structure & Approaches for Policy Reform

AGENDA – Sep 9, 2021

In partnership with TULO Centre of Indigenous Economics

Objectives of this knowledge sharing workshop:

- Provide an overview of how the land code and fiscal governance tools can support strategic elements of ATRs and TLE, particularly to resolving service agreements, planning for improved infrastructure, and building administrative capacity to create a better investment climate on-reserve
- Join a Virtual Armchair Discussion that will feature community experts on ATR-TLE in Manitoba as they share their approaches, experiences, and explore potential areas for policy reform

8:45 AM PDT Zoom Opens

9:00 AM **Welcoming & Overview**
Facilitated by Angie Derrickson, RC-TMPD Manager

9:10 AM **Legal & Administrative Framework to Support Investment on ATR-TLE lands** – 15 min
