

About the Tulo Centre of Indigenous Economics

Richmond, BC | January 15, 2020

**EVERY
TIME WE
TEACH A
COURSE,
WE GET A
CHANCE
TO SEE THE
FUTURE
THROUGH OUR
STUDENTS**

Accredited Programs

FIRST NATION TAX ADMINISTRATION

The Certificate in First Nation Tax Administration (CFNTA) and its students are at the forefront of property taxation on First Nation lands. Graduates of this innovative program are prepared to administer a high quality First Nation property taxation system.

- ▶ **Classes:** Introduction to First Nation Taxation, Establishing First Nation Tax Rates and Expenditures, Assessment and Assessment Appeals, Administration: Tax Notices, Collection & Enforcement, Communications, Taxpayer Relations and Dispute Resolution, Service Agreements and Joint Contracts, Development Cost Charges, Capital Infrastructure and Debenture Financing.

FIRST NATION APPLIED ECONOMICS

The First Nation Applied Economics (FNAE) program and its students are leaders in understanding how markets work on Indigenous lands. Graduates of this program are prepared to manage high level economic development projects.

- ▶ **Classes:** Resource Development on First Nation Lands, and Investment Facilitation on First Nation Lands.

CERTIFICATE IN FIRST NATION APPLIED LANDS MANAGEMENT

The Certificate in First Nation Applied Lands Management (CFNALM) creates a practical skillset in surveying, mapping, GIS, planning and parcel/boundary principles. Graduates of this program will be prepared to help positively influence decision making in the community, be a central resource in the community for lands, housing, infrastructure, and provide critical support to land managers to deliver services.

- ▶ **Classes:** Data Capture 1 & 2, Digital Mapping 1 & 2, Land Use Planning 1 & 2, Land Tenure, and Independent Research Project.

Current Cohort

**EVERY
COMMUNITY
HAS AN
ECONOMIC
OPPORTUNITY.**

COMPARATIVE ADVANTAGES

+ PUBLIC INSTITUTIONS

↑ COMPETITIVE ADVANTAGE FOR INVESTMENT AND INNOVATION ↑
