

FNLRS Land Registry Training

Direct Community Support (1:1)

The RC staff are available to assist communities directly in identifying their priorities, needs, and work planning in relation to Land Registry under Land Code.

1. First Nation Land Registry

- Review of Land Code authorities – granting of interests
- Draft Land Registry Policy & Procedures – review of registration statistics
- Land Registry Forms and Checklists – focused on priority registrations

2. FNLRS Land Registry – hands on training session(s)

- CITRIX access and login
- First Nation Land Registry User Guide
- Set Up User Preferences & Home Page
- Generating Reports
- Land Searches – Identify priority registrations
- Export – electronic lands inventory – active interests and evidence of title
- Review – Initiate application & upload file procedures
